Joyce Bou Halloun  
C4C Circular Economy expert

*C4C has been instrumental in helping us expand crucial areas like resale. Support includes reaching out to new professionals and organising a study visit and strategic meetings. This not only enhances our network but also motivates us to go forward*

Kastriot Gjoni  
Zéro Déchet Troyes  
(France)

*Projects in C4C provide an inspiring example of what community stakeholders can do to have a positive impact on the environment and on the local economy. I hope to be able to capture these examples and use this as evidence to inspire replication elsewhere*
